PANNEAUX DE PONT

DECK HATCHES

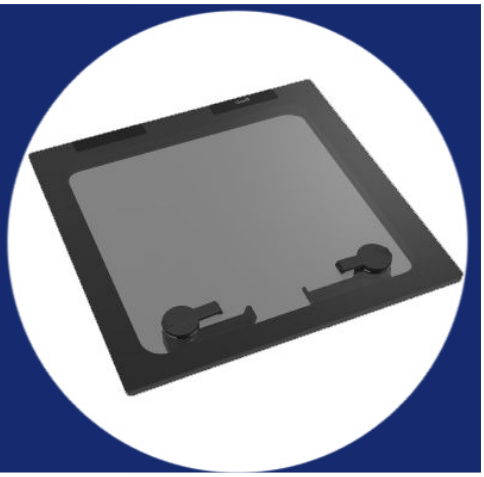

Panneau Magic T70 grip / ModX

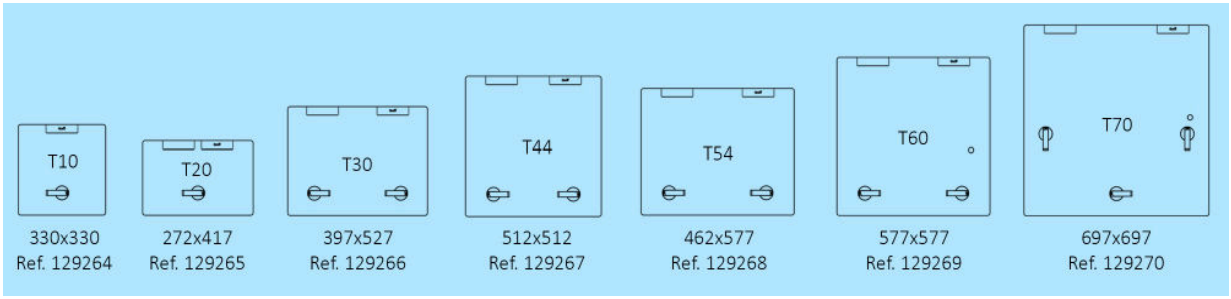

Panneaux Magic Flush

Magic Flush hatches

Glaces *Acrylics*

Kit glace + joint. Les croquis sont à titre informatif, les dimensions affichées sont celles des glaces (en mm).
Acrylic + gasket set. The sketches are for information only, the dimensions shown are those of the acrylic (mm).

Poignées *Handles*

Pour panneaux Magic et Magic Flush
For Magic and Magic Flush hatches

Kit poignée gauche int/ext gamme Magic (x1)
Left handle kit for Magic range (x1)
Ref. 128967

Kit poignée droite int/ext gamme Magic (x1)
Right handle kit for Magic range (x1)
Ref. 128966

Poignée ext clip noir gamme Magic (x1)
External Magic range hatch clip handle (x1)
Ref. 126781

Kit serrure pour panneau gamme Magic
Lock set for Magic range hatch
Ref. 127265

Poignée inox porte Magic
Stainless steel Magic door handle
Ref. 129225

Vérin à gaz *Gas spring*

Pour panneaux Magic et Magic Flush
For Magic and Magic Flush hatches

Vérin à gaz pour panneaux Magic et Magic Flush
Gas spring for Magic and Magic Flush hatches
Ref. 120972

Support de vérin pour dormant gamme Magic
Gas spring Frame fastening for Magic Range
Ref. 115872

Support de vérin pour ouvrant gamme Magic
Gas spring Opening lid fastening for Magic Range
Ref. 106944

Kit de fixation pour vérin de gamme Magic
Gas spring fastening set for Magic Range
Ref. 120980 + 120982

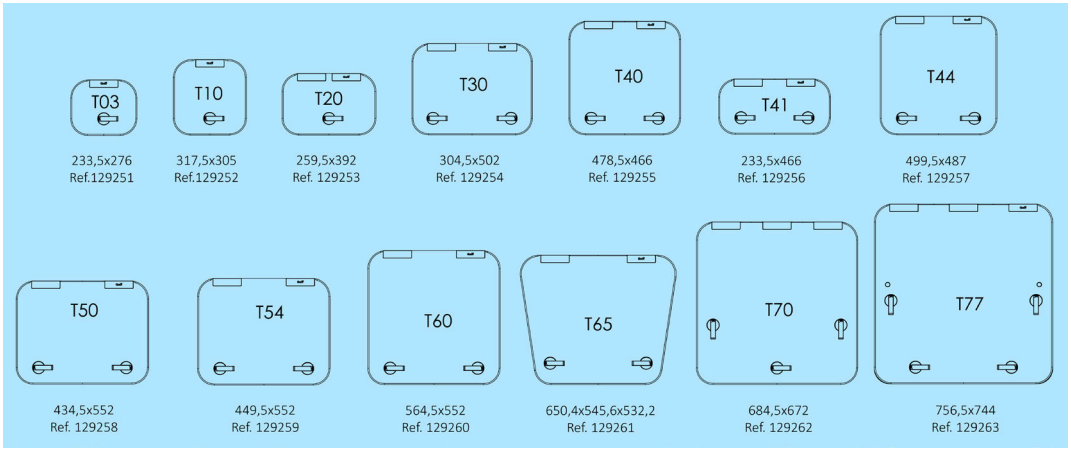

Panneaux Magic

Magic hatches

Glaces *Acrylics*

Kit glace + joint. Les croquis sont à titre informatif, les dimensions affichées sont celles des glaces (en mm).
Acrylic + gasket set. The sketches are for information only, the dimensions shown are those of the acrylic (mm).

Charnières *Hinges*

Aspect *Appearance*	**Ref. Magic**	**Ref. Magic Flush**
Kit charnière noir, logo gravé *Black hinge set, engraved logo*	128971	127334
Kit charnière incolore, logo gravé *Silver hinge set, engraved logo*	128972	128970

Si le panneau est équipé d'un vérin à gaz, veillez à dévisser les vis sur le dessous de la charnière.

If the hatch is equiped with a gas spring, you must unscrew the screws on the underside of the hinge.
